### Sunday April 30 – Géopolis Building

Sunday morning meetings of the **Drafting and the Methodological groups** will take place at the Géopolis Building on the second floor (rooms : 2207 / 2208 / 2224 / 2227 / 2230 / 2235 ; details will follow).

The **research session** will take place on the first floor (lecture hall: 1612)

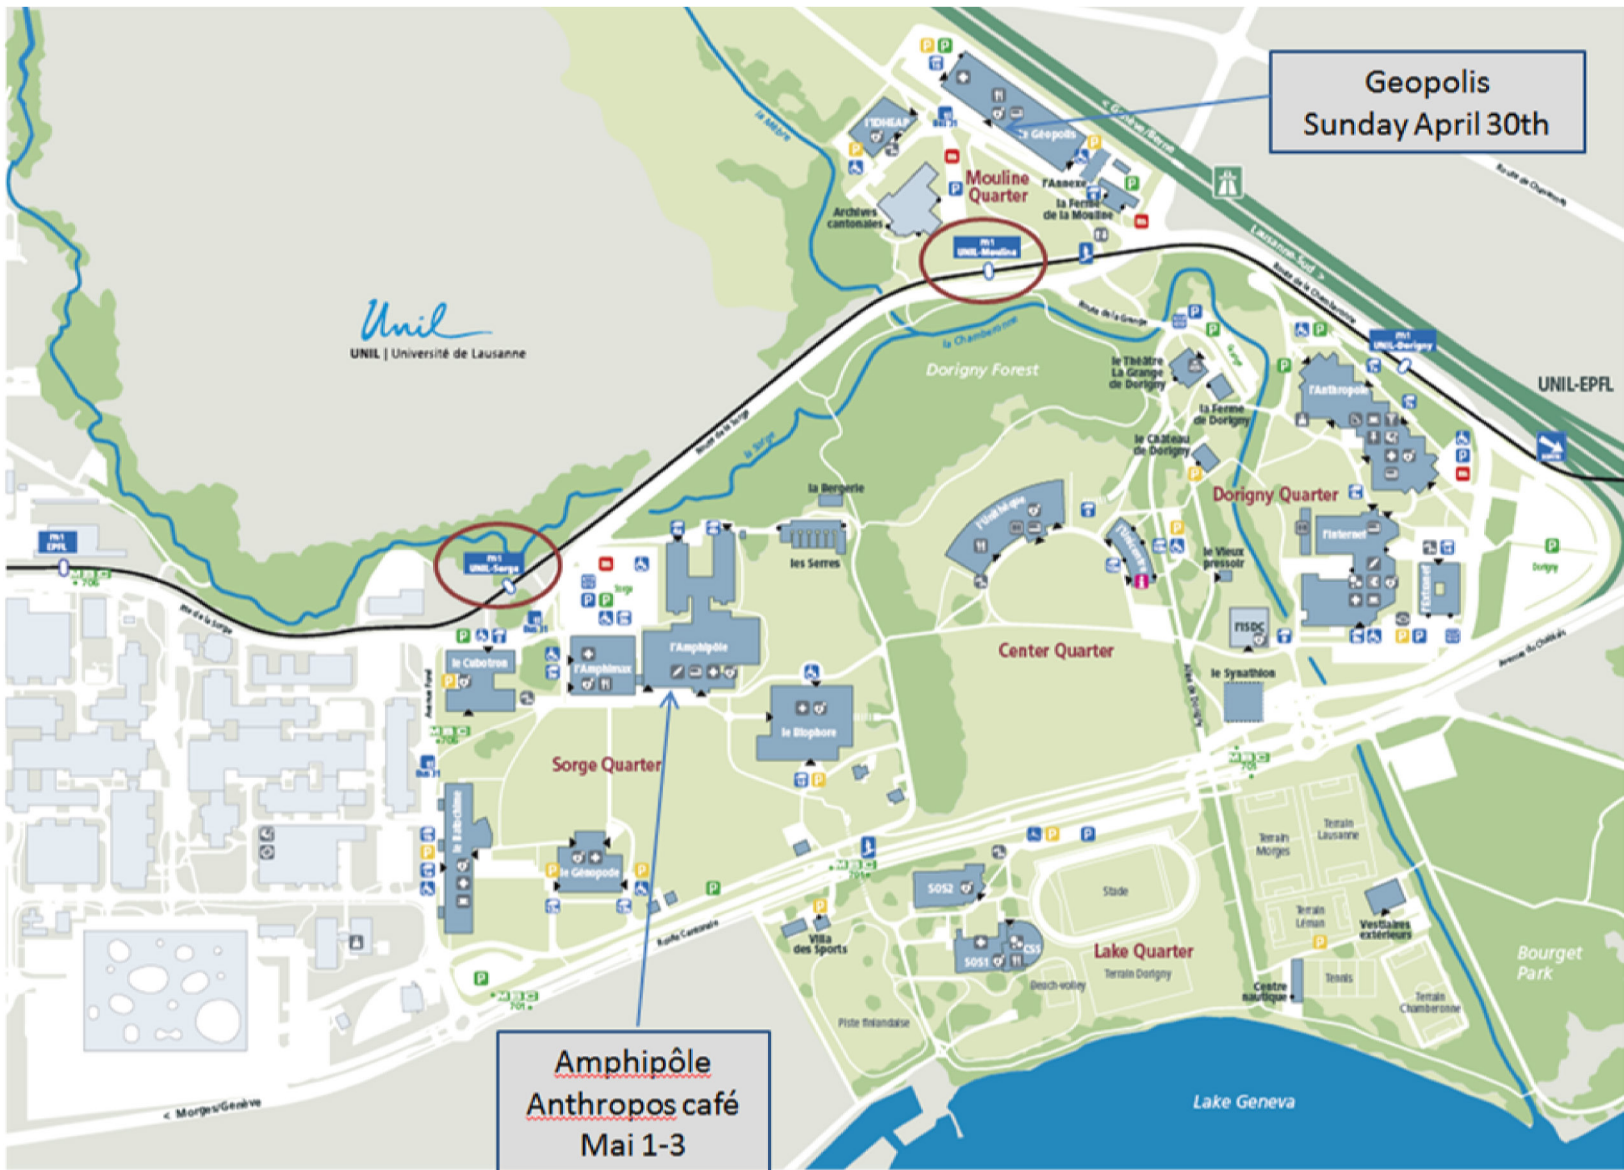

As Lausanne is an Olympic capital, many sport events occur during the year (<http://www.lausanne-tourisme.ch/big-events>). Note that the final time trial of the cycling Tour of Romandie takes place on Sunday April 30<sup>th</sup> (start at 11.41 am and arrival at 15.15). There might be some traffic disruptions, but the Metro m1 and m2 are not affected by this event.

### General Assembly of Mai 1-3, 2017 – Amphipôle Building - Anthropos Café

The General Assembly from Monday Mai 1 to Wednesday May 3 will take place at the Anthropos Café in the Amphipôle Building. The Anthropos Café is located in a glass house inside the Amphipôle building, near the main entrance and in front of the auditorium A.

Please **contact us** if you have any problems or questions during the meeting.
