A joint seminar series of

- **FORS** (Swiss Centre of Expertise in the Social Sciences, Lausanne),
- **IMA** (Institute of Applied Mathematics, UNIL),
- **MISC** (Research Centre Methodology, Inequalities and Social Change, UNIL).

The meetings are a platform where members of these and other units of the Faculty of Social and Political Sciences as well as guest speakers present their research.

The talks cover substantive research raising interesting methodological questions (quantitative or qualitative), research focusing on methodological issues, or discussions on new methodological approaches.

The meetings provide a possibility to discuss methodological problems related to one's own research.

The events are open for all interested in research methods (sociology, psychology, economics, political science etc.)

No obligations, no need to sign in - just come! (with your lunch if you like)
