

**10th International Conference of Panel Data Users in Switzerland:
20 Years of the Swiss Household Panel**

The 10th International Conference of Panel Data Users in Switzerland will take place on **5-7 June 2019** at the University of Lausanne. This special anniversary edition will include plenary sessions (keynote speakers to be announced), thematic sessions as well as a poster session. The thematic sessions cover a wide variety of topics, such as health and well-being, education and labour market, socio-economic inequality and mobility, families, gender, transitions and life course, ethnic minorities and migration, politics and attitudes, survey methodology, and longitudinal methods. We also offer the possibility to propose complete sessions on other themes.

We welcome all contributions based on longitudinal data, such as the “Swiss Household Panel” (SHP) and its additional samples (LIVES Cohort, SHP–Vaud), the “Transition from Education to Employment” (TREE), the “Survey of Health, Ageing and Retirement in Europe” (SHARE), the “Swiss Survey of Children and Youth” (COCON) or other longitudinal datasets. As the SHP is a member of the Cross National Equivalent File (CNEF), we especially welcome presentations or posters comparing Switzerland with other countries participating in the CNEF. Please note that the language of the conference is English.

Deadline for abstracts and session proposals is January 31, 2019.

The conference is interdisciplinary and we welcome participants from all areas of the social sciences. Please submit your session proposal or your abstract for a presentation or a poster to swisspanel@fors.unil.ch.

Abstracts for presentations and posters

Please include in the abstract:

- The names and affiliations of all authors;
- The name(s) and e-mail addresses of the attending author(s);
- The session to which the abstract belongs. Please indicate poster session or one of the thematic sessions listed below. It is possible to suggest more than one suitable session
- The title of the presentation or the poster;
- An abstract of around 250 (max. 500 words).

The best poster will receive an award!

Sessions proposals

We can only accept complete session proposals, which include at least three presentations. Please include in the proposal:

- Name, affiliation and e-mail address of the chair;
- Title of the session;
- Titles and abstracts (250-500 words each) of the presentations in the session;
- Names, affiliations and e-mail addresses of the presenters.
