^a The SHP proxy interviews include information about children under 14 years and adult persons unable to respond to the survey (old age, handicap, etc.); the SILC survey doesn't conduct proxy interviews regarding children.

^b Referring to all gross households minus those with neutral problems (neutral problems: invalid telephone, etc.).

° Referring to all called individuals minus those with neutral problems (foreign language etc.).

Note: *SHP_I denotes the original households recruited in 1999.*
