

**Apostolia KARAMALI**

Apostolia Karamali is the head of the Research and Innovation Actors and Research Careers unit at the Directorate-General for Research and Innovation of the European Commission. The unit designs and implements policy for the higher education sector, research organisations, researchers, research and technology infrastructures. The unit operates in the context of the new European Research Area (ERA) and in synergy with the European Education Area (EEA), employment, social and industrial policy. In particular, the unit supports the establishment of a European framework for research careers in the European labour market; offers services to researchers and institutions; promotes the development of a sustainable European ecosystem of research and technology infrastructures; maintains an observatory and promotes knowledge creation, circulation and use.
