

Call for abstracts

**Workshop “Cognition, decisions and wellbeing in later life”
December 15-16 2022, Lausanne (Switzerland)**

We are pleased to invite you to contribute to the workshop “Cognition, decisions and wellbeing in later life”, which will take place on December 15th and 16th, 2022 in Lausanne, Switzerland.

The overall aim of this workshop will be to assemble cross-disciplinary perspectives on cognition, decisions and wellbeing and their interplay in later life with invited speakers, contributed talks, and posters.

We welcome papers concerning at least one of the topics of the workshop - cognition, decisions and wellbeing - or their interaction. We will particularly give emphasis to works using data from the international family of health and retirement studies such as SHARE, the HRS, ELSA, TILDA and other sister surveys.

All submissions must include an abstract of maximum of 300 words providing details about the research question, the methodological approach, and the preliminary results.

Abstracts should be submitted until November 4th, 2022 via this link: <https://www.centre-lives.ch/fr/agenda/call-communications-workshop-cognition-decisions-and-wellbeing-later-life>.

Organising committee:

Prof. Jürgen Maurer, Full Professor of Health Economics and Management, HEC Lausanne, University of Lausanne, Switzerland

Prof. Matthias Kliegel, Full Professor of Psychology, Center for the Interdisciplinary Study of Gerontology and Vulnerability, University of Geneva, Switzerland

Dr. Maud Wieczorek, Post-doctoral researcher, Swiss National Centre of Competence in Research LIVES - Overcoming vulnerability: Life course perspectives, Lausanne and Geneva, Switzerland
